NEW BUSINESS

Discussion was held on concerns regarding the supervision of provisional permit holders for Speech Language Pathology and Audiology. The language from existing rules was reviewed for inclusion in the proposed rules. It was agreed that the supervisor must have an established business in Idaho. It was also agreed that supervision in the same facility was too restrictive.

A motion was made by Ms. Chaney to keep current language, "The supervisor must have an established business site within the State of Idaho which he regularly utilizes as a base of operation," and add "All supervised activities shall occur in the state of Idaho" to sections 460.02 and 470.02. It was seconded by Mr. Woodall. Motion carried.
